### Details

Scotch® Magic™ Greener Tape is a more environmentally friendly version of the original matte-finish, invisible tape, with the same great performance.

When important documents and school projects need mending and you also want to help the environment it's Scotch® Magic™ Greener Tape for the many rips and tears you have around the house. Scotch® Magic™ Greener Tape has all the strength of our Magic™ Tape. All the holding power of Magic™ Tape. Disappears just like our tried and true Magic™ Tape. But because Magic™ Greener Tape is made from over 65% recycled or plant based material, it's the more eco conscious choice. It comes with the easy to use Scotch® Tape Dispenser, so the tape glides off smoothly, cuts evenly, with no waste. Works like magic because it's just like Magic™ Tape. Only Greener.
