

## DM2000 50 Position (Narrow)

Part Number	Circuit
DM2000 - 01 - 0	= Differential
02 - 0	= Single-Ended, Passive
02 - C	= Single-Ended, Passive with Capacitor
02 - R	= Single-Ended, Active
02 - SK	= Single-Ended, Passive with SLICK Circuit
02 - RSK	= Single-Ended, Active with SLICK Circuit
02 - ADR	= Single-Ended, Active Deassertion
02 - FPT	= Single-Ended, Forced Perfect

**Note:** All terminators are External Shielded High Density Males, .050", with Latches.

### Specifications

#### Contact Material:

Phosphor bronze, plated gold over nickel

#### Insulator Material:

Reinforced thermoplastic, rated UL 94V-0

#### Housing Material:

ABS thermoplastic, plated copper, nickel, chrome

#### Printed Circuit Board:

FLGFN B2B MIL-P-13949, rated UL 94V-0
