

**Tension Clamp
15mm DIN-Rail
Feed-Through**

ZDUB 2.5-2/15

For a complete assembly, select (1) end plate, (2) end blocks, and (#) middle blocks. It is recommended to use a block with a mounting foot every fourth block

Ordering Data	Version	Type	Part No.
Single components for individual block assembly			
Middle block 2AN 	beige Wemid	ZDUB 2.5-2/2AN/DM	170435
