

AMP Terminators for SCSI-1, -2 Low Density Narrow

AMPMODU Terminators, Unshielded Receptacles

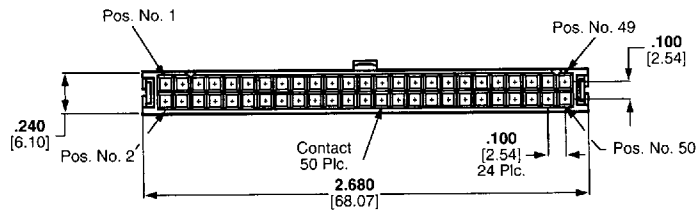

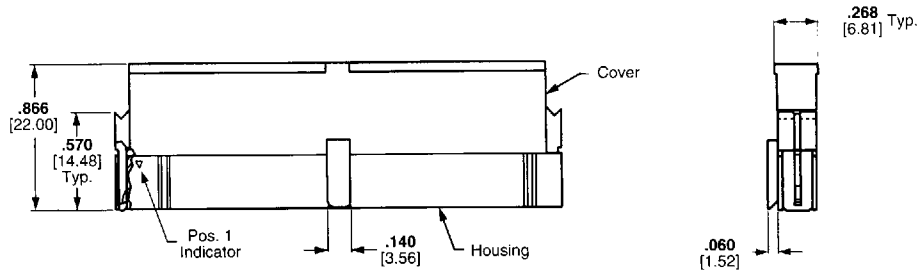

Material and Finish:

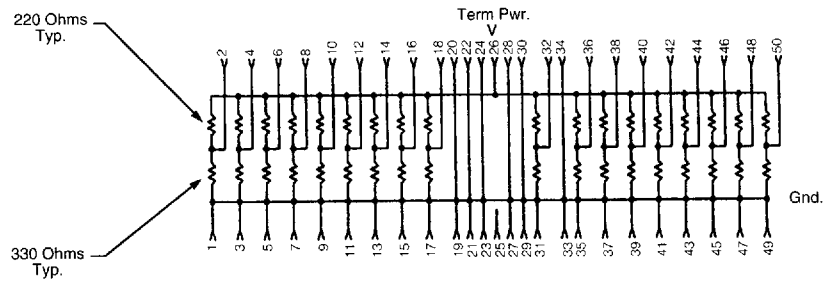

Cover and Housing—Nylon, brown

Contacts—Phosphor bronze, duplex plated .000030 [0.00076] min. gold on mating end, gold flash over remainder, over .000050 [0.00127] min. nickel underplating

Resistors—Thick film resistor composition on alumina substrate

50-Position, Single-Ended
Part No. 869036-1

50-Position, Differential
Part No. 869041-1
