

AMP Terminators for IPI-1, Unshielded

AMPMODU Terminators, Unshielded Receptacles

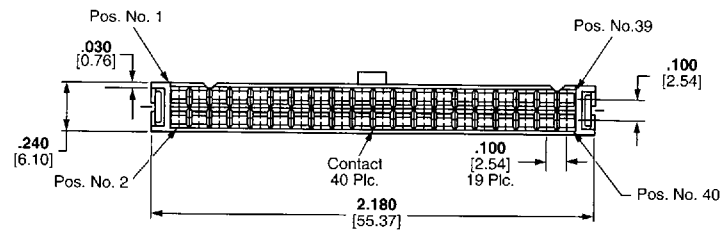

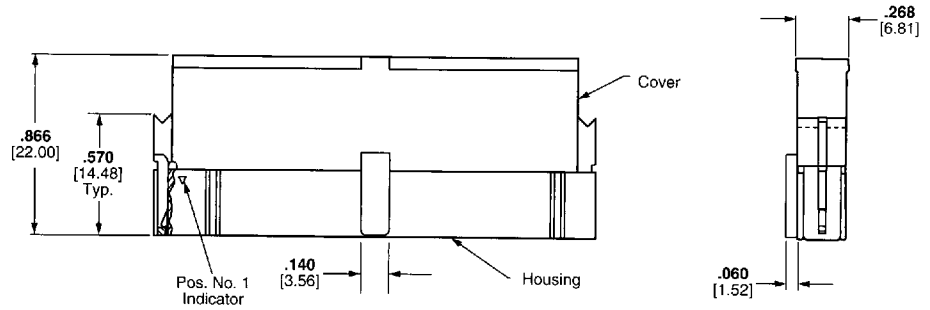

Material and Finish:

Cover and Housing—Nylon, brown

Contacts—Phosphor bronze, duplex plated .000030 [0.00076] min. gold on mating end, gold flash over remainder, over .000050 [0.00127] min. nickel underplating

Resistors—Thick film resistor composition on alumina substrate

40-Position, Current Mode IPI
Part No. 869121-1
