Part number	BS252
Name of product	Green power safety breaker SHB type 2P2E 5A
Suggested retail price (excluding tax)	2,370 yen
Release Date and end date	Release Date: September 10, 1981
type	Safety breaker
Type name	S-HB type
flame	30AF
The number of poles number element	2P2E
Rated current	5A
Rated voltage and breaking capacity	AC100 / 200-200V 1.5kA
Tripping system	Thermally activated, electromagnetic
Dimensions (mm)	H70 × W32 × D36 (55, including handle)
mass	0.11kg
specification	Code with short-circuit protection function
homepage address	-

※Prices are subject to change without notice. Please note.
