

## Data sheet Product SK 525 30 ST

Profile heatsinks and fluid coolers > Extruded heatsinks for PCB mounting  
 19.4 x 28 mm, attachable heatsinks with and without solder pins

### Features

way of fixation for transistor	transistor clip mounting
width B	TO 220
height	19.4 mm
length	28 mm
thermal resistance $R_{th}$	30 mm
version	7.8 KW
surface	with 2 solder pins
	black anodised

### Technical Drawing
